A

Acorn Bank Opencast Coal Site Produces Record Five Million Tons 186
Acrow Jetlift Sand and Gravel Dredger 925
Aden, Crater Main Drainage Scheme, First Contract Placed 1012
A Lawyer Considers:
Discharge of Restrictive Covenants—Architects Registration Acts—Insurance and Theft from Lorries 314
"Impracticable" Safety Precautions—"Immediate Supervision"—Duty to Fence 57
Meaning of "Plant" — Contractor Councillors—Compensation Payment 892
The Report on Company Law 562
Alderley Park, Cheshire, Start on I.C.I. Chemical Buildings 1008
Alkali, etc., Chief Inspector's Annual Report 85
An Economist Comments:
A Chancellor Off-Beam—New Orders—Bank Rate 182
Building for the Distributive Trades 766
Local Authority Debt — Contractors Beware! 557
Apprenticeship Changes Approved 584
Apprenticeships in London, Shorter Building 658
Arabia, R.A.F. Fuel Installation to be Constructed on Masirah Island 1039
Ashton-under-Lyne Flats Ahead of Schedule, Ellison Street Scheme 901
Aveling-Barford SN Dumper 353
Aylesford Food Depot Completed 581

B

Barbican, £1.3m. Office Block Contract for Tersons 762
Basingstoke Development Plan Made Public 898
Basingstoke Distribution Depot, Costain's £1.2m. Contract 775
Belfast Refinery Contracts Awarded 174
Berkshire County Offices, Competition Result 448
Birds Eye Head Offices, Walton-on-Thames, Finished in 15 months 319
Birmingham, Broad Street Office Scheme, Plans Being Finalised 886
Birmingham, £10m. Development for Centre Site 565
Birmingham Swimming Baths are Founded on Hollow R.C. Boxes 321
Birmingham, £1.75m. Warehouse and Office Block Completed 1007
Bonser Safety Cab-frame 215
Book Reviews:
"Pumping Station Equipment and Design" by L. B. Escritt 1015
"Work Study Applied to Building" by Rowland Geary 582
Boulder Equipment MK-H Pneumatic Concretor 589
Bridges:
Forth Road Bridge, Progress of Southern Approach 352
Hackney Cut Navigation, Bridging the 89
Iraq, Steel Bridge over the Tigris Nearing Completion 349
Kelvingrove Park Bridge, Glasgow, Design and Construction of 1015
King's Bridge, Melbourne, Section Collapses 349
King's Bridge, Melbourne, Failure, Royal Commission Appointed 1018
King's Bridge, Melbourne, Result of Collapse Report 923
Laira Bridge and Approaches, Plymouth, Construction of the New 51
Medway Bridge, Britain's Biggest Safety Net for 777
Medway Motorway Bridge Beams Placed 560
Mercier Bridge, Near Montreal, Unusual Caisson Design 454
Prestressed Concrete Bridge Construction in New Zealand by Robert G. Norman 656
Severn Bridge Progresses 765
Slough By-pass Bridge has 50ft. Central Span 775
Spencer Bridge Road Bridge, Northampton, to be Rebuilt 477
Sydney, Six-Lane Prestressed Concrete Bridge for 764
Tower Bridge, Structural Use of Plastic at 189
Usk River Bridge Contract Placed 310

PAGE

Bristol Corporation Introduce Maintenance Incentive Bonus Scheme 183
Bristol Main Drainage Scheme, Second Stage to Proceed 174
British Columbia University, Electrical Engineering Building Contract for Laing 454
British Hoist and Crane Co.'s Fork Lift Truck 480
British Standards:
P.V.C. Pipe 64
Spirit Level Vials 64
British Visqueen Extensions at Stevenage 805
Builder-Developer Links, Advantages Stressed by Cubitts 351
Building Industry, Report on, for N.E.D.C. 476
"Building Management Notebook" 452
"Building and Planning in the Motor Age," R.I.B.A. Conference 313
Building Recruitment, N.F.B.T.E., Discusses Future 1005
Building Research Station Digest No. 25 Lightweight Aggregate Concretes—I: Materials and Properties 771

C

Cambridge Colleges' £300,000 Shop Development Completed 898
Cambridge University School of Architecture, "Artificial Sky" Building Erected 923
Canadian Department Store Incorporating Car Park, £1m. Contract Awarded 452
Canterbury, Gilbert-Ash to Erect Teachers' Training College 894
Caterpillar 641 Tractor Scraper, Field Testing of Prototype on Earthfill Dam Project 1042
Caterpillar 944A Loader 214
Caterpillar's British Developments 663
Cement and Concrete Association, Annual Report 584
Channel Tunnel Group's British Consultants 762
Chatham, New Crown Building for 550
Cheapside, Ten-Storey Office Block Development 773
Chelsea Barracks Near Completion 651
Cinderford Branch Library, Tapered Arches Divide Shelves 88
Civil Engineering Research Council's Programme of Research 211
Cladding Code of Practice 585
Claims, Settlement of, How Delays Hit Contractors 1044
Coal-Handling, D9G Tractor Moves 800 Tons per Hour 589
Coast Protection Works, No More Compulsory Charges for 1037
Concrete from Rough Board Formwork, Design Notes and Specifications for 182
Concrete Mixer, Waimer 927
Concrete Pipes, Likely Developments During Next Five Years by J. Singleton-Green 1010
Consultants "Unrealistic" on prices: Scottish Contractors' Concern 585
C.M.P.E. Plant Exhibition and Demonstration: Exhibitors and Equipment 1041
Contracts, Placing and Management of 554
Contractual Practices, Committee to Review 764
Correspondence:
Birds Eye Offices 808
Brushes and Quick Drying Paints 902
Dumping Dangers 86
Insurance and Theft from Lorries 582
L.C.C. Warehouses at Southfields 902
M.E.X.E. Test Reports 346
New Pattern of Technical Education 902
No Steel Decking 452
Plant Hire Insurance 210
Structural Lightweight Concrete Symposium 654
Crane, Complete Control of Placing with New Climbing 587
Crane, Floating a Derrick—New Method Tested for African Contract 217
Crane, Lorain Moto-Tower Self-Erecting 219
Crane, Tower, Has Novel Method of Erection 663
Cranes, Pingon P70, P80 and P100 Tower 804
Cripps' Nottingham Plant Demonstration 91
Crystal Palace, £12m. Exhibition Centre Planned 762
"Cut" and "Fill" on Motorways, Move to Reduce 762

PAGE

D

Dam Nearing Completion, Derbendi Khan, Iraq 1013
Day Release, Substantial Improvement Needed 583
Devonport Flats Redevelopment Will Retain Foulston's Civic Centre 888
"Ditch Witch" Crawler Trench Digger 1044
Djakarta Embassy Offices Erected by Direct Labour 767
Dodge Announce New Tandem-Drive Six-Wheel Trucks 803
Doncaster, £3m. Development Contract 550
Dredger, Acrow Jetlift Sand and Gravel 925
Drill, Holman Bros., VR.4 Vole 924
Dulwich, Three-Storey Residential Development 58
Dumper, Aveling-Barford SN 353
Dumper, Euclid R45 Rear Dump 805
Dumper, Shawnee Poole 750 (Series 2) Rear Dump Hauler 215
Dumpers Licensed for Road Work in Yorkshire 926
Dartford-Purfleet Tunnel Decking in Progress 59

E

Edgware Office Block "Topped Out" 475
Edinburgh, £8m. Central Redevelopment Proposals Announced 897
Eimco Model 24 Rocker Shovel 479
Electricity:
Elephant and Castle Sub-station Erected 478
Sizewell to Sundon Power Lines Route Approved 581
Elephant and Castle Shopping Centre, Work Commences on 897
Engine, Villiers' D.415 Diesel 355
Estimates Committee, Annual Report 322
Euclid Loaders L-20 and L-30 216
